

## ***Chances***

Try and kiss that guy  
Go jump from high  
Be a star  
Move out far

These are chances  
You've got to take them  
Never to regret  
'cause you may not get  
Another pass at them  
Chances

Talk back  
Don't wait for the attack  
Leave it all behind  
Just be blind

Burn from passion  
Feel compassion  
Give it all  
Play a role

Learn to fly  
Don't be shy  
Say what you think  
Take the risk

Life is too short to live on hold.
